

The Company has successfully completed its ambitious CSR Project by setting up a **“Vocational Training Centre for Women”** at Jhagadia, Dist. Bharuch with the support of an internationally acclaimed NGO viz., SEWA RURAL. This CSR project was accomplished with the complete financial assistance of **Rs. 2.58 crores** provided by the Company under its CSR initiative.

The Project was inaugurated on 30th April 2016. The building serves as a dedicated Training Centre as well as a hostel accommodation for girl students. This Training Centre houses class rooms, skill lab, nutrition lab, computer lab, library, hostel accommodation for stay of about forty girl students as well as quarters for the faculty and warden.

This CSR Project is dedicated for promoting Women Empowerment for underprivileged girls/women hailing from tribal, rural and economically deprived background, who are being imparted vocational education & trainings. Areas of vocational training cover hospital nursing, laboratory technician training, stitching and garment making, basic computer education, self-defence, awareness about sexual harassment, personality development, health and nutrition and other formal and non-formal education.
